## BUSINESS EXPERIENCE

- 2021 PEEL HUNT LLP, London, UK**  
*UK small/mid-cap specialist investment bank*  
**Summer Intern IBD**
  - Collaborated with sector teams on project workstreams in the AIM market (Hotel Chocolat £40m), debt issues in the US (EROS STX \$50m), and M&A proposals within the LSE Main Market
  - Completed structured tasks, such as preparations of decks and models, as well as more ad hoc tasks such as client onboarding diligence (City Pub Group)
  - Created daily reports summarising FTSE winners & losers and global markets, including UK, US, European, SEA markets, including brent oil, gold and treasury bonds as additional indicators
  - Produced daily Rule 8 reports for Charles Stanley board following acquisition announcement by Raymond James, allowing board members to track shareholder register changes since announcement
- 2020 RIVERFORT GLOBAL CAPITAL, London, UK**  
*London-based investments and financing company operating in the AIM markets*  
**Summer Analyst**
  - Conducted due diligence and research on small-cap deals including preliminary stage work on Invinity Energy Systems' £20m equity raise
  - Researched Canadian metal miners and royalty streamers to collect materials for client meetings at 121 Mining Conference
  - Compiled and summarised all TR-1s in a 3-month period and conducted market analysis on most actively traded companies and trading institutions
- 2019 DARASHAW & CO, Mumbai, India**  
*Indian investment bank specialising in the debt capital markets*  
**Summer Analyst**
  - Researched Indian debt capital markets, key macroeconomic factors influencing debt market interlinkages and bond structuring mathematics, then presented learnings to new interns
  - Completed an in-depth study detailing an ongoing financial crisis occurring in India, covering 8 marquee non-banking financial companies, and presented to peers prior to circulation to clients

---
